

With **BPW Landing Gear** your business has become a lot more stable.

Robust, comfortable, economical

Robust: Just the right thing for use in heavy jobs with a trailer - thanks to the long, continuous bolt-on flange as additional support against lateral forces. All of this with built-in safety as well: 100 % of the BPW landing legs production is checked in an endurance test before dispatch.

Comfortable: Long, continuous perforated bolt-on flange for different fixing positions make installation flexible and simple. And the low crank forces ensure less stress during operation.

Economical: Advantages which pay off: BPW Landing leg is particularly light - and thus the first choice, if every kilo of vehicle load capacity counts. Long-term greasing with BPW ECO-Li 91 means the BPW landing gear does not need maintenance for 3 years. In addition, it impresses with the lowest level of wear and the optimal protection against corrosion through special coatings.
